CapRock UK Ltd
COMMUNICATIONS

Furnishings:

- Greenwood & Wood Bespoke Boardroom Furniture.
- Cresso Reception Furniture / Meet Seating.
- Sebastien Impressions Beam Frame System.
- Nomique Workstation & Boardroom Seating
- Flexiform Steel Storage.
- Sebastien Fifth Avenue Cafe Furniture.

We were approached by development company Knight Real Estate to Tender for the supply and installation of office furniture, breakout and to include a feature reception and boardroom area for CapRock European Network Operations Centre (NOC).

The Sebastien Impressions range was selected due to its versatility and full cable management system. It also had integrated power and the client selected the additional desk top pop up power module.

Flexiform Easy File steel storage was finished to match the desk leg frames and fitted with various assortment of internal fittings.

The Cresso (Welsh for Welcome) reception desk was manufactured in Italy and finished in 38mm Maple MFC to match the desk range. Cresso range fully complies with the EEC regulation for DDA (Disability Discrimination Act).

case study

The boardroom table was to be something special due to the features in the room. We were asked to come up with a table finished in Natural Cherry Veneer and to fit into the 'V' shaped feature window and also in an arc so everyone sitting at the table were able to see each other. Working with Greenwood and Wood, together we came up with the Tri-Arc finished in 40mm natural cherry real wood veneer and fitted with Black Inlay. Using innovative 3D design software we were able to demonstrate to the client how the table would look in reality.
