MATRIX
STORAGE SYSTEM

Matrix, a system of creating divided spaces but keeping an open plan feel.

More than just storage...

This flexible range can act as a room divider or just a simple storage solution with a range of accessories to customise or incorporate biophilic design into an area without compromising on functionality.

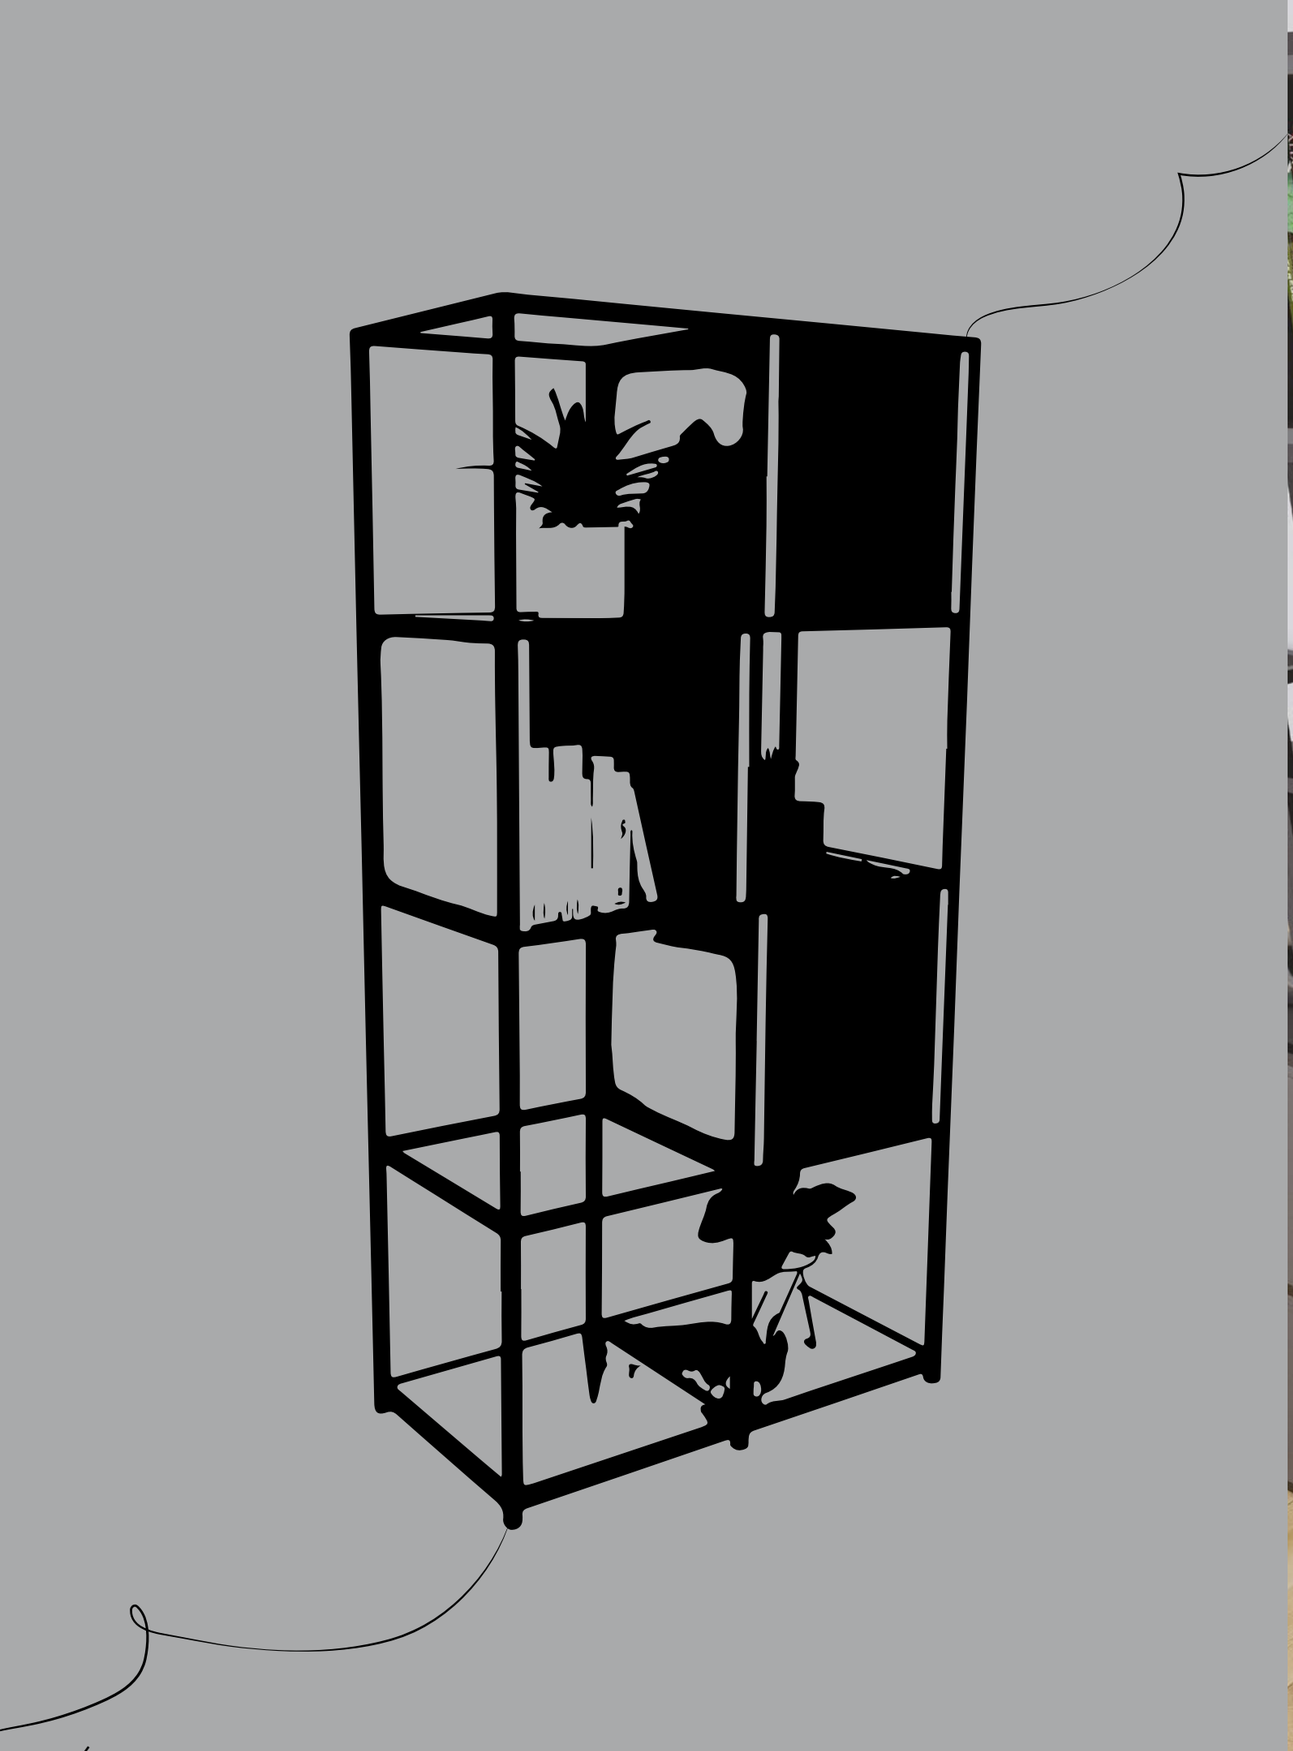

But Matrix doesn't stop there...

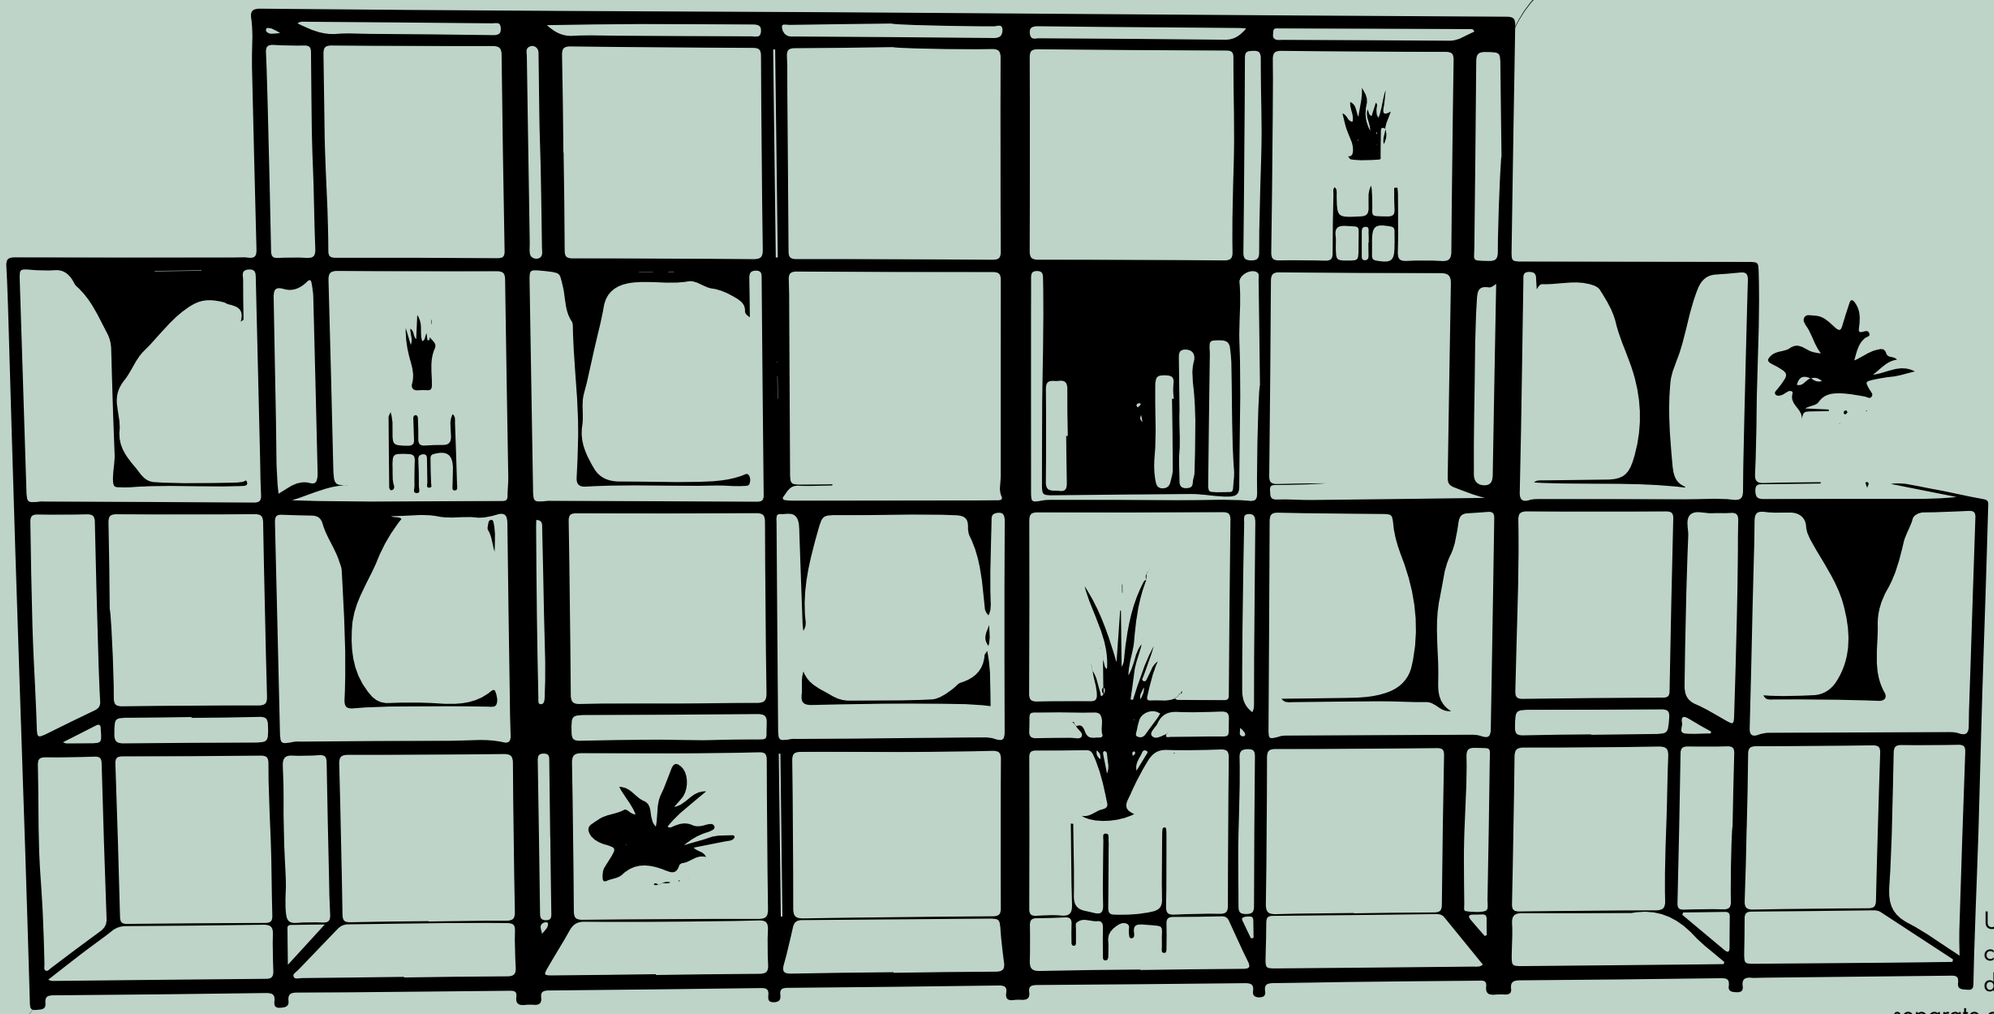

Matrix has a range of tables for a multitude of applications. From breakout tables, flexible meeting spaces, coffee tables & much more.

To complete the range complementing seating can be paired or used in its own right giving a stylish industrial appearance.

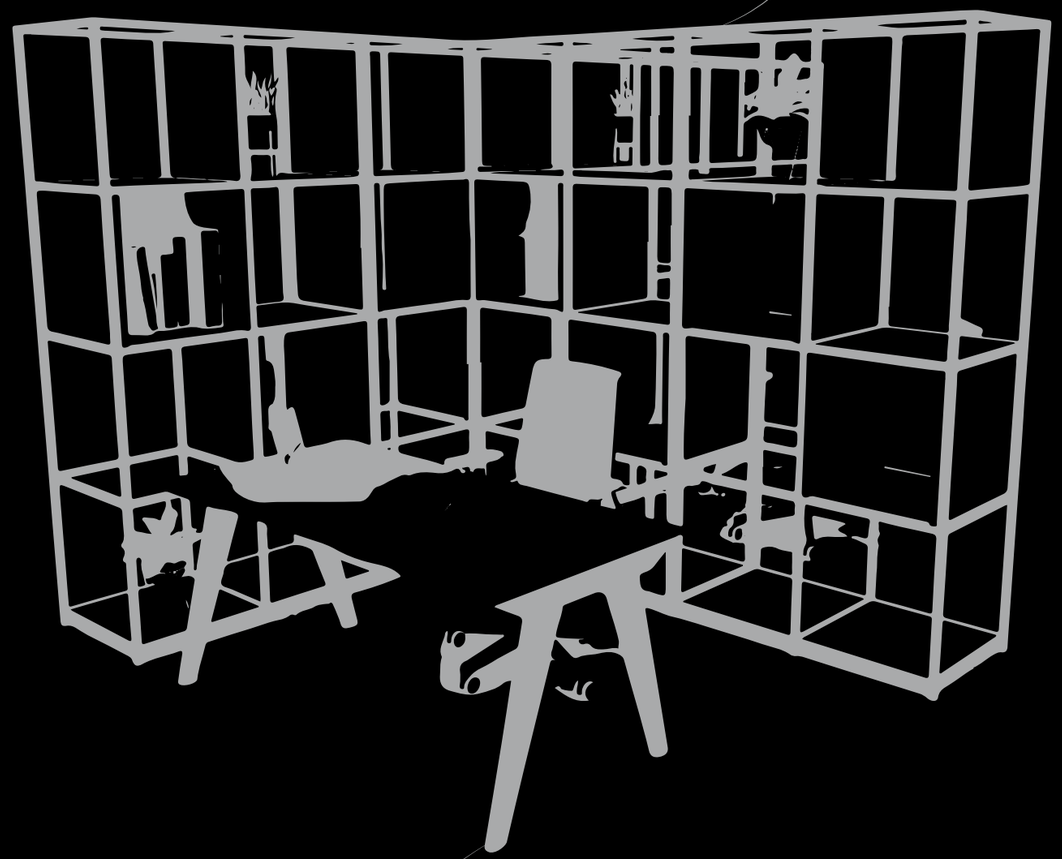

The combinations are endless!

Use Matrix to create room divisions and separate areas to create a little more privacy.

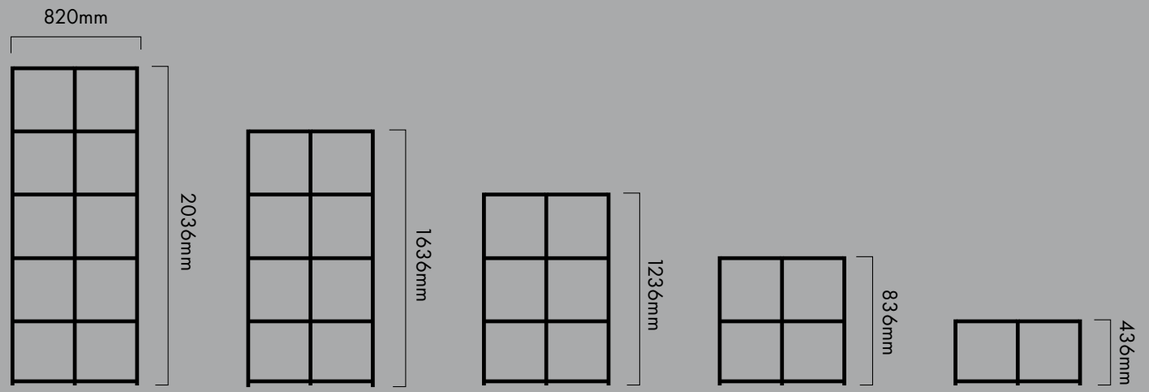

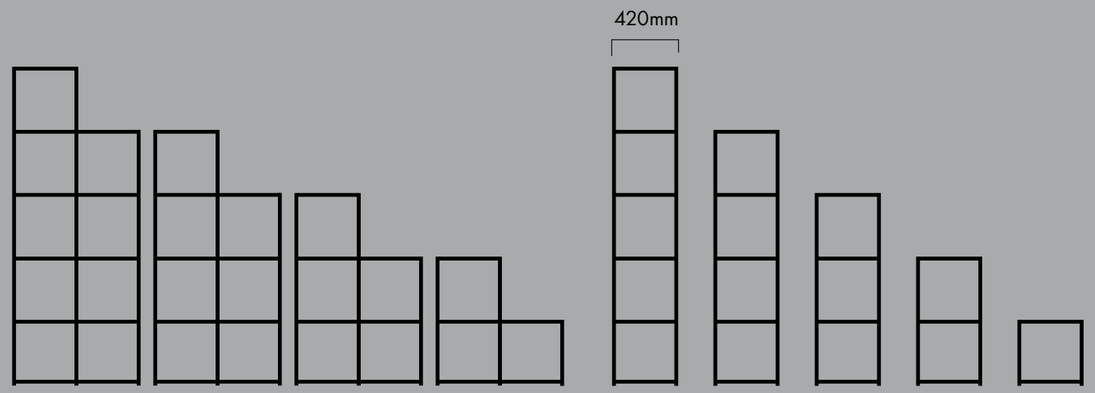

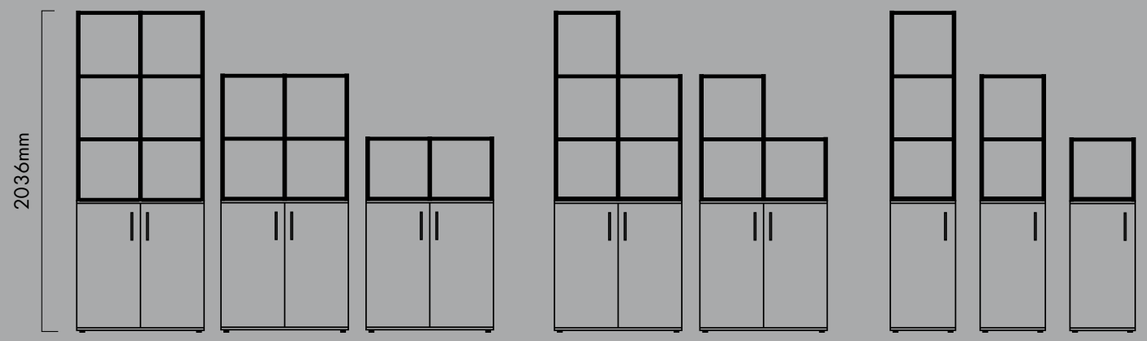

Matrix
tables fit
together in multiple
arrangements and
configurations to suit your
room and purpose, whether
that being individual
hot desks or large
meeting tables.
