Qudos

INTRODUCTION

Qudos is a fully cable managed desking range with an extensive range of desk top shapes and sizes allowing total flexibility.

At Imperial we pride ourselves in manufacturing quality office furniture.

QUDOS

Qudos desking. A fully cable managed cantilever leg design. Including a wide range of desk shapes and sizes, from rectangular and 120º segment to shaped radial workstations.

Qudos has a wide selection of conference links, desktop screens, storage and seating to complete your new office layout.

Qudos has a desk shape to fit any situation, from small compact hot desks to large executive workstations.

An extensive range of shapes and storage available allows for a fully customisable and modular designed office space.

The shaped radial workstation can be used to create a compact yet individual working space for four people. Storage can be added to the return of your desk providing extra work space.

Qudos is available in a selection of four trim colours. Black, White, Silver and Grey to give extra options after deciding on your desktop finish.

The 120° degree workstation is used to create a three person desk cluster offering a call centre impression. Additional desks can be added to form more complex shapes.

Colours storage adds a two toned style to the office space by incorporating a contrasting door and carcass finish.

Qudos offers the most extensive desktop shape offering in the entire Imperial product portfolio.

Colours Universal Storage

(Doors, fascias or carcass from a choice of 17 board finishes with a selection of handles)

Boardroom tables are also available with a Qudos ‘I’ leg design to perfectly complement your office desk layout.

Choose from a varied selection of meeting chairs that range from entry level to a more stylish modern offering.
